Forward

Welcome to the **SITS Trainers Network** June 2018 Event/Conference.

The SITS Trainers Network was founded on 29/02/2012 as a forum for anyone involved in training-related activities with regards to the SITS:Vision system (provided by Tribal Group plc).

Members of the SITS Trainers Network meet at events hosted by member institutions and at the SITS User Conference. These events provide an opportunity to meet other like-minded users of the SITS:Vision system to discuss a variety of commonly shared training initiatives and issues.

The SITS Trainers Network has always favoured a collaborate approach to the work of the training community so that members can work together and offer guidance, pass on lessons learned, highlight methods of good practice and offer assistance across all member institutions.

The network continues to collaboratively work on new initiatives facilitated by the training community, for the training community.

We would like to take this opportunity to thank all members for their continued interest in the SITS Trainers Network and we hope that you enjoy the event at the University of Hull.

On behalf of the network, we would like to convey our appreciation and sincere thanks to **Emma Hardy**, **Beccie Cahill** and **Blake Mace** (*University of Hull*) for the venue arrangements.

With very best regards,

Richard Clark (Chair)

Luke Austin (Vice Chair & Regional Facilitator - M62)

Carlos Bertrand (Regional Facilitator - London & South of England)

Richard Block (Regional Facilitator - Midlands, Wales & West of England)
